

BOWLS SURREY NEWSLETTER

Issue 07/2025

Hello Everyone. Well its August and I decided to delay the issue of this newsletter to include the County Finals results and the Inter County Cup result. I hope you have had as good and as fun a season as I have been having. Good luck for the rest of your season Charlotte BS Communications Officer

We are happy to announce that Paul Songer (Carlshalton BC) has put his name forward for the 2026 Mens Junior Vice President position.

We are still looking for someone to come forward to fill the role of Ladies President for 2026. I (Charlotte) will not be standing again. I am however loving my year this year and would be happy to help and guide someone in 2026 if they need it.

Just a quick reminder that we still have several Bowls Surrey Celebrations matches left this season. You do not need to have your County Badge to play in these (or any County) matches so please do go online and put your name forward.

Home Counties League Results

Congratulations to the HCL squad who won the Final for the second year in a row.

Inter County Senior Mixed Cup

Berkshire - We Won 125 - 147
Middlesex - We Won 121 - 114

Surrey came second in the Area

Middleton Cup

Sussex - We Won 20 - 2
Middx - We Lost 1 - 21
Kent - We Won 18 - 4
Surrey came second in the Area

Umpires Corner - Answer for last months Question

A Live jack is in the ditch and its position marked with a marker on the bank. What happens next in each of the following cases?

A) It gets moved by a toucher entering the ditch and remains within the rink boundaries. **The movement is valid and the bank markers would be moved to indicate the new position of the jack.**

B) As above, but ends up outside the boundary. **The end would be declared dead and replayed.**

C) It gets moved by a non toucher entering the ditch. **The jack would be replaced to its former position and the dead bowl removed from the ditch.**

Congratulations to all the players that played in the Ladies and Mens County Finals this year. Your 2025 County Champions are as follows
