

BOWLS SURREY NEWSLETTER

Issue 8/2023

Hello Everyone, wowie we are at the end of August and sadly near the end of our 2023 outdoor season. With just a couple of weekends to go I hope that you end the season happy and healthy. Charlotte

The last bowl of the end comes down heavy and the jack is split into 2 pieces. One half stays on the rink and the other half goes out of play What happens next? Sorry I didn't give you the answer to this one last month, however the answer is very simple. The end is declared dead. It doesn't matter if its the first or last bowl, it doesn't matter if both parts land on the rink or on the rink next door, it doesn't matter if one part of the jack is bigger than the other.

The end is dead.

All Secretaries will shortly be receiving the paperwork for the Bowls Surrey SGM next month. PLEASE ensure that you discuss this very important matter with your club members and ensure that your clubs votes are registered by email with the Administrator prior to the SGM or by someone attending the SGM on your clubs behalf.

J.A.Pinder. Do you know this name? They have paid £35 into the SCWBA bank account. It is assumed for the ladies presentation dinner. Please contact Penny Bruno asap.

Clubs that have had any new members join since the affiliations were done in February will shortly receive an invoice from the BS Treasurer for the affiliation fees for Bowls England for this year. Any club that was registered for Bowls' Big Weekend will not have to pay for the members that joined through that weekend. However members that joined through other events will be required to pay.

REMINDER - Tickets are on sale for both the mens and ladies Presentation dinners. Get yours soon by looking on the website or by contacting Penny Bruno or John Tucker.

For the past 3 weeks Surrey competition and championship winners have been representing the County at the National Finals up at Leamington. The highlights with pictures are on the website but below are just a few of the Counties achievements. For all of the results please follow the links on the BS Website.
