

BOWLS SURREY NEWSLETTER

Issue 10/2023

Brrrrr its getting cold and the heating may have to go on soon!! Getting ready for next season is what we are all working on at the moment. Calendars are getting filled up and the hard work is continuing on the greens. Its definitely a 12 month job running a club for a 5 month outdoor season. Stay warm - Charlotte BS Communications Officer.

At the AGM the new Area committees will be installed. These committees will be made up of 5 people from each Area. These Area Committees will be the first people that you will need to approach if you have any queries.

You need to make sure that the committees have the correct people on them. See below those that have applied for the position, some have no applications and NEED people in that Area to come forward. For posts that have more than 1 application there will be a vote at the AGM - This is YOUR chance to make a difference in our County.

AGM is at Imber
Court on
Saturday 18th
November.
Please ensure
your club is
physically
represented. If
your Secretary
cannot attend
please ensure
that someone
does**

Have you thought about becoming an EBUA Marker or Umpire? The EBUA are setting up and running Markers courses at indoor clubs throughout the County next year. If your club would like to host one please contact me. Also if you wish to become an Umpire or would like to just chat about the possibility then please contact me. SurreyUmpires@gmail.com

The Bowls England Champion of Champions Competition is open to your Club Championship Winners (only winners, not finalists), enabling those wishing to challenge themselves and maybe progress to the national finals held at Royal Leamington Spa in August 2024.

Entries must be done by the 4th December 2023. All Club Secretaries registered with Bowls England have received details directly from BE. If you need further details or the link to the form please email me BowlsSurrey@gmail.com
