

## FRIDAY 12th APRIL

**6.30pm for 7.00pm start** 

\*\*Buffet From 8.00pm\*\*

This year we are giving your pre-season social evening a new look. The focus will be on the informal, an opportunity to socialise and mingle. For nonplaying and playing members, new and established, to get together.

Got questions? Interested in finding out more about district competitions? Looking for like-minded players to form teams?

The Social committee will be providing something to keep the "grey matter" working whilst you mingle but there will be <u>no raffle</u>.
